### **Thermography of Houston Goes Mobile!**

Thermography of Houston is expanding our locations and looking for a few practitioners to host us in their area. There are minimum criteria to meet. In no time at all, we can provide thermography services to the people in your community.

If you are interested, or know of someone in your area who might be, contact Sherri Lund at 281-655-9300 or email [Sherri@BridgetoBetterHealth.com](mailto:Sherri@BridgetoBetterHealth.com).
